Providing Services

Nippon Life Insurance Company (NLI) is Japan's largest private-sector life insurance company established in 1889. NLI is the 11th largest insurance company in the global ranking by Life/Health insurance revenue.

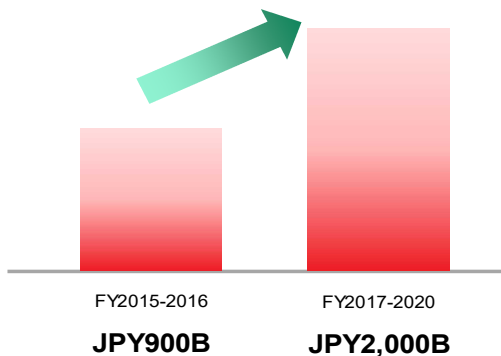

Based on the solid capital base and market presence with long term income stream, we are also one of the major institutional investors in the world with globally diversified portfolio. About one third of our general account asset is invested overseas.

Since the establishment of our New York Office in 1975, we have developed overseas bases in the United States, Europe and Asia/Pacific region for asset management and insurance business.

NLI is also the most dedicated loan provider among the life insurers in Japan providing mid-term and long-term loans to various business enterprises and projects. Leveraging our width and depth of investment experience in domestic and overseas market, we are committed to make strategic expansion in emerging growth fields through new investment and finance initiatives including **global project finance for infrastructure projects etc.**
